

The final exams time schedule for the Academic year 2021-

2022

Fifth stage	Fourth stage	Third stage	Second stage	First stage	College / Department	Day and Date	
Treatment / in class		Oral surgery / in class			Dentistry	Saturday 4/6	
	English Language Electronic	Pharmaceutical Ethics Electronic		Medical Physics Electronic	Pharmacy		
					Oil Engineering		
				English Language Electronic	Physical Education & Sports science		
				English Language Electronic	Computer Technologies		
				English Language Electronic	Medical Devices Engineering		
	English Language Electronic				Anesthesia		
		English Language Electronic	English Language Electronic	English Language Electronic	Optics		
		English Language Electronic	English Language Electronic	English Language Electronic	Dental Industry		
			English Language Electronic	English Language Electronic	Radiology and ultrasound		
					Medical Labs		
	Oral surgery / in class		Histology / in class	Anatomy / in class	Dentistry		Sunday 5/6

	Industrial Pharmacy I In class	English Language Electronic			Pharmacy		
	Reservoir Engineering 2 /in class		Oil Basics In class	Mathematics 1 In class	Oil Engineering		
	psychology In class	kinesthetic learning In class	Bio-Mechanic In class	Anatomy In class	Physical Education & Sports science		
					Computer Technologies		
					Medical Devices Engineering		
	Internal Surgery In class				Anesthesia		
	Glasses and contact lenses In class				Optics		
	Full denture In class	Orthodontics In class			Dental Industry		
				General Anatomy In class	Radiology and ultrasound		
				General chemistry In class	Medical Labs		
					Dentistry		
Advanced Pharmaceutical analysis			Physiology II Evaluation		Pharmacy		Monday 6/6

In class						
		Reservoir Engineering 1 in class			Oil Engineering	
					Physical Education & Sports science	
				Digital Electronic in class	Computer Technologies	
				Mathematics In class	Medical Devices Engineering	
		Surgery basis 2 In class		Human Rights Electronics	Anesthesia	
		Eye problems in internal medicine In class	Refraction errors In class	Human Rights Electronic	Optics	
				Human Rights Electronic	Dental Industry	
				Human Rights Electronic	Radiology and ultrasound	
				Human Rights Electronic	Medical Labs	
Dental Industry In class		Community Medicine Electronic	Oral Histology Ministerial	Medical Physics Electronic	Dentistry	Tuesday 7/6
				Pharmaceutical calculations In class	Pharmacy	
			English Language 2 in class		Oil Engineering	

	Management and organization in class	Scientific Research In class	Sport statistics in class	Computer Electronic	Physical Education & Sports science	
					Computer Technologies	
					Medical Devices Engineering	
			Surgery basis In class		Anesthesia	
					Optics	
			Dental material In class		Dental Industry	
			Radial Anatomy In class		Radiology and ultrasound	
					Medical Labs	
	Pediatrics in class				Dentistry	
Pharmaceutical Bio-technology In class		Pharmacology 1 Evaluation	Arabic Language electronic		Pharmacy	
	Production engineering 2 in class	Sport statistics electronic		Engineering drawing Electronic	Oil Engineering	Wednesday 8/6
					Physical Education & Sports science	
					Computer	

					Technologies	
					Medical Devices Engineering	
				Clinical Chemistry In class	Anesthesia	
				Head and neck anatomy In class	Optics	
				Dental material In class	Dental Industry	
			Professional electronic	Medical terminologies electronics	Radiology and ultrasound	
			Clinical Chemistry In class		Medical Labs	
					Dentistry	
				Human Anatomy In class	Pharmacy	
			Fluids Mechanics In class		Oil Engineering	
	Sport training In class	Sport Medicine in class	Tests and measurements in class	Arabic Language electronics	Physical Education & Sports science	Thursday 9/6
				Mathematics / electronics	Computer Technologies	
				Medical Physics / electronics	Medical Devices Engineering	

	Nursing In class		Medicines Electronic		Anesthesia	
	Eye alternatives In class				Optics	
	Crowns and bridges In class	Partial denture In class	Oral Tissue electronic		Dental Industry	
					Radiology and ultrasound	
				Human Biology In class	Medical Labs	
Oral Medicine in class		Dental treatment Ministerial			Dentistry	
TDM In class			Medical microbiology II In class		Pharmacy	
	Integrative reservoir management Electronic	Mathematics 2 electronic		Electrical technology electronic	Oil Engineering	
					Physical Education & Sports science	
				programing / electronic	Computer Technologies	
				Computer application / electronic	Medical Devices Engineering	
		Intensive care 1 In class			Anesthesia	

Saturday 11/6

		Refraction error 2 In class	Eye Physiology In class		Optics	
					Dental Industry	
					Radiology and ultrasound	
			Bio-statistics الالكتروني		Medical Labs	
		Diseases ELECTRONIC		Medical chemistry In class	Dentistry	
	Pharmacology III Evaluation			Computer Sciences Electronic	Pharmacy	
		Specialized English language electronic	Human Rights electronic		Oil Engineering	
	Disabled sports in class	Physiology in class	Sport training in class	History in class	Physical Education & Sports science	
					Computer Technologies	
					Medical Devices Engineering	
			Anesthesia 1 In class	Arabic Language Electronic	Anesthesia	
		Computer applications electronic	Medicines electronic	Arabic Language Electronic	Optics	

Sunday 12/6

	Professional behavior electronic	Medicine sciences electronic	Full denture In class	Arabic Language Electronic	Dental Industry	Monday 13/6
			Radial photography In class	Arabic Language Electronic	Radiology and ultrasound	
				Arabic Language Electronic	Medical Labs	
			Physiology In class		Dentistry	
Pharmaco-economy In class			Pharmacognosy 1 In class		Pharmacy	
	Excavation Engineering 2 In class			Physics electronic	Oil Engineering	
					Physical Education & Sports science	
				Computer assembly حضورى	Computer Technologies	
				Mechanics electronic	Medical Devices Engineering	
				Anatomy In class	Anesthesia	
				General Chemistry In class	Optics	

				Basic sciences electronic	Dental Industry	Tuesday 14/6
					Radiology and ultrasound	
			Micro biology In class		Medical Labs	
	Oral Disease Ministerial	Medicines electronic			Dentistry	
				Histology In class	Pharmacy	
		Oil Economy Electronic	Oil Geology in class		Oil Engineering	
	Athletics In class	Teaching methods In class	Gymnastic In class	Athletics In class	Physical Education & Sports science	
				Mathematics Electronics	Computer Technologies	
				Mechanics Electronics	Medical Devices Engineering	
	Intensive care 2 In class		Medical Terminologies electronic		Anesthesia	
	Strabismus In class				Optics	
	Partial denture In class	Crowns and bridges In class	Democracy electronic		Dental Industry	
				General Physics	Radiology and	

				In class	ultrasound	Wednesday 15/6
				Laboratory equipment technology In class	Medical Labs	
	General Medicine electronic			Human Rights electronic	Dentistry	
	Toxicology In class	Pharmaceutical technology II evaluation	Computer Sciences electronic		Pharmacy	
	Secondary oil extraction In class			Engineering Mechanics in class	Oil Engineering	
		Racket In class		Human rights electronic	Physical Education & Sports science	
				Democracy electronic	Computer Technologies	
				Democracy electronic	Medical Devices Engineering	
		Anesthesia Techniques 2 in class		Computer applications 1 Electronic	Anesthesia	
		Medical glasses In class	Eye Health In class	Computer applications 1 Electronic	Optics	
				Computer applications 1 Electronic	Dental Industry	

				Computer applications 1 Electronic	Radiology and ultrasound	Thursday 16/6
				Computer applications 1 Electronic	Medical Labs	
	Orthodontics in class				Dentistry	
			English Language Electronic		Pharmacy	
		Production Engineering In class	Material impedance In class		Oil Engineering	
	Volleyball In class	Handball In class	Volleyball In class	Basketball In class	Physical Education & Sports science	
					Computer Technologies	
					Medical Devices Engineering	
		Computer applications 2 Electronic	Internal Medicine 1 In class		Anesthesia	
					Optics	
		Computer applications Electronics	Crowns and bridges In class		Dental Industry	
			Radial techniques		Radiology and ultrasound	

			in class			Saturday 18/6
					Medical Labs	
Oral surgery Ministerial		Microbiology electronic			Dentistry	
				Organic Chemistry 1 In class	Pharmacy	
	Reservoir simulation methods electronic			English Language 1 electronic	Oil Engineering	
					Physical Education & Sports science	
					Computer Technologies	
					Medical Devices Engineering	
				General physiology In class	Anesthesia	
			Professional behavior electronic	General Physics In class	Optics	
				Dental anatomy In class	Dental Industry	
					Radiology and ultrasound	
			Molecular Biology In class		Medical Labs	

					Dentistry	Sunday 19/6
			Physical pharmacy II Evaluation		Pharmacy	
		Excavation engineering 3 in class			Oil Engineering	
	Basketball In class	Gymnastics In class	Teaching methods In class	Swimming In class	Physical Education & Sports science	
				Electrical engineering basis In class	Computer Technologies	
				Electrical engineering basis In class	Medical Devices Engineering	
	Anesthesia 3 In class		Bio-Statics electronic	Biology Electronic	Anesthesia	
	Radiology and Ultrasound In class				Optics	
	Orthodontics In class	Full Denture In class			Dental Industry	
			Radial Physics electronic	General Physiology In class	Radiology and ultrasound	
			Histology	Anatomy and	Medical Labs	

			Electronic	terminologies In class		
Pediatrics In class					Dentistry	Monday 20/6
	Organic Pharmaceutical Chemistry III In class	Organic Pharmaceutical Chemistry I In class		English Language electronic	Pharmacy	
					Oil Engineering	
					Physical Education & Sports science	
					Computer Technologies	
					Medical Devices Engineering	
		Anesthesia 2 In class			Anesthesia	
		Optical devices 2 In class	Optical devices 1 In class		Optics	
				Professional safety electronic	Dental Industry	
				Biological safety Electronic	Radiology and ultrasound	
			Physiology Electronic		Medical Labs	
	Dental Treatment in class		Dental Industry Ministerial	English and terminologies electronic	Dentistry	Tuesday 21/6

					Pharmacy	
	Methods for choosing the best solution electronic		Mathematics In class	Arabic Language Electronic	Oil Engineering	
	Football/ Futsal in class	volleyball In class	Boxing/ Feather in class	Fitness/ Weights In class	Physical Education & Sports science	
					Computer Technologies	
				Chemistry electronic	Medical Devices Engineering	
			Anesthesia techniques 1 In class		Anesthesia	
					Optics	
		Research methods electronic	Partial denture In class		Dental Industry	
					Radiology and ultrasound	
			Parasites In class	Professional behavior electronic	Medical Labs	
					Dentistry	Wednesday 22/6
Therapeutics II Evaluation			Organic Chemistry III in class		Pharmacy	
		الجس البئري حضورى			Oil Engineering	
	handball	Fencing	Basketball	Football/ Rhythm	Physical	

	in class	in class	in class	in class	Education & Sports science	
					Computer Technologies	
					Medical Devices Engineering	
				Medical physics In class	Anesthesia	
				Medical terminologies Electronics	Optics	
				Dental Technique In class	Dental Industry	
			Radial preventive Electronic	Nursery basis Electronic	Radiology and ultrasound	
				Biological safety Electronic	Medical Labs	
Orthodontics In class			Bio-Chemistry electronic	Bio- Medical IN CLASS	Dentistry	
	Communcation Skills In class	Biochemistry II In class		Human Rights electronic	Pharmacy	
				جيولوجيا عامة حضورى	Oil Engineering	
		Football / Five-a-side In class	Handball In class	Scouting in class	Physical Education & Sports science	
					Computer Technologies	
					Medical Devices Engineering	
	Anesthesia Techniques 3 In class	English electronic	English electronic	English Electronic	Anesthesia	
Thursday 23/6						

	eyes illnesses In class		Bio-statics electronic		Optics	
	Teeth transplant In class	Maxillofacial Prosthodontics In class			Dental Industry	
					Radiology and ultrasound	
			English electronic	English electronic	Medical Labs	
periodontal disease in class		Dental Industry Ministerial		Computer electronics	Dentistry	Saturday 25/6
					Pharmacy	
					Oil Engineering	
					Physical Education & Sports science	
					Computer Technologies	
					Medical Devices Engineering	
		Internal medicine 2 In class		Biological safety electronics	Anesthesia	
		Strabismus 1 In class		Biological safety electronics	Optics	
			Oral anatomy and physiology Electronics	Biological safety electronics	Dental Industry	
				General Chemistry Electronics	Radiology and ultrasound	
					Medical Labs	
					Dentistry	Sunday 26/6

					Pharmacy	
					Oil Engineering	
		Wrestling/ Fitness In class	Athletics In class		Physical Education & Sports science	
					Computer Technologies	
					Medical Devices Engineering	
			Applied Physiology In class	Professional behavior Electronics	Anesthesia	
					Optics	
					Dental Industry	
			Radial tests In class	General Biology Electronics	Radiology and ultrasound	
					Medical Labs	
			Dental material In class		Dentistry	
Dosage Forms design evaluation		Pharmacognosy III In class			Pharmacy	
					Oil Engineering	
					Physical Education & Sports science	
					Computer Technologies	
					Medical Devices Engineering	
					Anesthesia	
	Pediatric ophthalmology In class	Research methods electronics		Biology In class	Optics	

Monday 27/6

	Maxillofacial Prosthodontics In class				Dental Industry	
					Radiology and ultrasound	
					Medical Labs	
				Orthodontics in class	Dentistry	Tuesday 28/6
					Pharmacy	
					Oil Engineering	
					Physical Education & Sports science	
					Computer Technologies	
					Medical Devices Engineering	
					Anesthesia	
					Optics	
					Dental Industry	
					Radiology and ultrasound	
					Medical Labs	
	periodontal disease Ministerial		General Anatomy In class		Dentistry	
					Pharmacy	
					Oil Engineering	
					Physical Education & Sports science	
					Computer Technologies	
					Medical Devices	

					Engineering	
					Anesthesia	
					Optics	
					Dental Industry	
					Radiology and ultrasound	
					Medical Labs	
			General Anatomy In class		Dentistry	Thursday 30/6
Hospital Training In class	Clinical Pharmacy II Evaluation				Pharmacy	
					Oil Engineering	
					Physical Education & Sports science	
					Computer Technologies	
					Medical Devices Engineering	
					Anesthesia	
					Optics	
					Dental Industry	
					Radiology and ultrasound	
					Medical Labs	
Preventive dentistry Ministerial	General Surgery Electronics	X-Ray In class			Dentistry	Saturday 2/7
	Dental Industry In class				Dentistry	Sunday 3/7

Examination committee's instructions:

- 1- the evaluation exams will be at the University at 9:00 am (building B)**
- 2- The in class exams will be at 9:00 am**
- 3- The electronic exams will be at 11:00 am**
- 4- All students have to carry their University IDs and put on phase-masks otherwise they won't allowed to do the exams**
- 5- All students have to hand over their cell-phones and electronic smart watches to the reception before the exams**
