

No	Activity's name	Description	Lecturer	College	Suggested date	Beneficiaries
1		introduction to Society of Petroleum		Oil Engineering College	27/2/2021	Open for General
2	Workshop	Creating and managing E-exams	Asst. Prof. Dr. Qutaiba Abdulkareem Qasim	Pharmacy College	2/3/2021	Teaching staff
3	Training calss	HIV	Asst. Dr. Omran Mizhir	College of Health and Medical Technologies/ Anesthesia Dep.	6/3/2021	General
4	Lecture	Implant technology the solution and problems	Asst. Lecturer Muazzez Abdulkgalik	Dentistry College	9/3/2021	General
5	Workshop	Detailed discussion to update the general master sheet for the academic year 2020-2021	Asst. lecture Muatez Salman Hasan	Oil Engineering College	13/3/20212	Teaching staff and examination committees at the University
6	Workshop	Cancer and the challenges	Asst. Dr. Omran Mizhir	College of the Health and Medical Technologies	16/3/2021	Researcher and lecturers
7	Workshop	<u>Hyperlenses and Meetalenses</u>	Asst.Dr. Sukaina Tuma	College of the Health and Medical Technologies	20/3/2021	Researcher, lecturers and students
8	Lecture	Ths of main pathogens of dental caries in children	Asst. Lecture Hamza Shakir Abdulzahra	Dentistry College	23/3/2021	General
9	Workshop	automatic arrangement for resources using Mendely program	Asst. Dr. Alwan GHatea	College of the Health and Medical Technologies/ Radiology and Ultrasound Dep.	27/3/2021	All researchers
10	Training	Bacteria prevention	Asst. Lecture Murtada	College of the Health and	30/3/2021	General

	class	methods during the laboratory operations	Abid Radi	Medical Technologies/ Medical Laboratories Dep.		
11	Workshop	The keto diet and a training class to reach the right weight of the body	Asst. Lecturer Asaad Jasim Shannan	College of Physical Education and Sports Sciences	3/4/2021	Puplic
12	Lecture	Fundamentals of Formation Evaluation	Asst. Dr. Ali Mohammed Altimimi	Oil Engineering College	6/4/2021	Employee at Oil Sector and specialized academics
13	Discussion symposium	Acute coronary syndrome	Asst. Dr. Osama Kadum	Pharmacy College	10/4/2021	Teaching staff
15	Lecture	Vascular component of DM	Asst. Prof. Dr. Ihsan Abdullah Kumail	Dentistry College	17/4/2021	General
16	Workshop	Malaria disease. Its symptoms, ways of spread, diagnose and treating	Asst. Dr. Omran Mizhir	College of Health and Medical Technologies/ Dental Industry Dep.	20/4/2021	Researchers and Lecturers
17	Lecture	A simple approach to identify the proper relative permeability model	Asst. Dr. Mohammed Idrees Ali Almosawi	Oil Engineering College	24/4/2021	Employee and the Oil Sector and specialized academics
18	Workshop	Safety procedures at the medical and health laboratories	Asst. Dr. Sukaina Tuama	College of Health and Medical Technologies/ Opticianry Dep.	27/4/2021	Researchers and students
19	Lecture	Vascular component of DM	Asst. Prof. Dr. Ihsan Abdullah Kumail	Dentistry College	1/5/2021	GENERAL

20	Introductory Lecture	Nano-Technology applications (history and concepts)	Asst. Dr. Alwan GHatea	College of the Health and Medical Technologies/ Radiology and Ultrasound Dep.	4/5/2021	Professors and researchers
21	Training class	Approved tests in diagnoses corona virus and their accuracy	Asst. Lecturer Hussein Ali Kareem	College of the Health and Medical Technologies/ Medical Laboratories Dep.	8/5/2021	General
22	Symposium	Eczema and its spread in schools	Asst. Dr. Inas Razzak	Pharmacy College	11/5/2021	Teaching staff
23	workshop	Psychological compatibility	Asst. Lecture Asmaa Sattar Khudair	Physical Education and Sport Sciences	15/5/2021	General
24	Lecture	History of dental and caries over view	Asst. Lecturer Gazwan Hussien	Dentistry College	18/5/2021	General
25	Lecture	General information about GIS (General Information System)	Asst. Lecturer Khaldoon Talib Falih	Oil Engineering College	22/5/2021	Employees at Oil Sector and specialized Academics
26	Symposium	Cholinergic Agonist Drugs	Asst. Dr. Naseer Mahdi	Pharmacy College	25/5/2021	General
27	Symposium	Cancer	Asst. Dr. Omran Mizhir	College of Health and Medical Technologies/ Anesthesia Dep.	29/5/2021	General
28	Symposium	Terrorism the roots and extension ) a reading in the Islamic intellect	Asst. Dr. Shkir Howla	Pharmacy College	1/6/2021	Teaching staff
29	Scientific symposium	The effect of barnacles on electrical energy and the use of ultrasound	Asst. Dr. Ibraheem Hamood	College of Health and Medical Technologies/ Dental Industry Dep.	5/6/2021	Researchers and teaching staff

30	Lecture	The effective application of horizontal well technology in heavy oil reservoirs	Asst. Dr. Najih Yusif Alali	oil Engineering College	8/6/2021	Employees at oil sector and specialized academics
31	Lecture	T.M.J problems due to incorrect occlusion cause and resolve	Asst. Lecturer Gazwan Hussein	Dentistry College	12/6/2021	General
32	Workshop	The most famous causes of microorganisms and their and their aggressive factors to harm the eyes	Asst.Lecturer Ahmed Rumthan	College of Health and Medical Technologies/ Opticianry Dep.	15/6/2021	Researchers and students
33	Workshop	Follow up with response of brain cancer to the radial and chemical treatment through MRI	Asst. Lecturer Raad Ageel Altimimi	College of Health and Medical Technologies/ Radiology and Ultrasound Dep.	19/6/2021	Professors, Students and Researchers
34	Lecture	Crude oil distillation process as one of downstream engineering processes	Asst. Prof. Dr, Mustafa Mohammed Rida	Oil Engineering College	22/6/2021	Employees at oil sector and the specialized academics
35	Lecture	Real-time PCR	Dr. Muslim Thahir Musa	Dentistry College	26/6/2021	General
36	Training class	The possibility of developing type 2 diabetes as a result of concentrations of the trace elements (selenium and chromium)	Asst. Lecturer Ahmed Ryath Yunis	College of Health and Medical Technologies/ Medical Laboratories Dep.	29/6/2021	General
37	Symposium	Recent advances in	Asst. Lecturer Mazin	Pharmacy College	3/7/2021	Teaching staff

	/ electronically	molecular docking	Abdulgani Najim			
38	Workshop	Dental industry devices	Asst. Lecturer Abbas Hasan	College of Health and Medical Technologies/ Dental Industry Dep.	6/7/2021	Students
39	Symposium / attendance	Formulation of biotech products	Asst. Lecturer Samir Khalid Ali	Pharmacy College	17/7/2021	General
40	Training class	The applied international protocols to field and laboratorial identification of the criminals	Asst. Dr. Omran Mizhir	College of Health and Medical Technologies/ Anesthesia Dep.	13/7/2021	General
41	Symposium / electronically	Preparation and evaluation of microspheres	Asst. Lecturer Hayder Abdulhussein Hamoodi	Pharmacy College	17/7/2021	Teaching staff
42	Lecture	Synthesis and analysis of size finding golds NPS	Asst. Lecturer Muatez Salman Hasan	Oil Engineering College	20/7/2021	Employees at Laser field and physics
43	Symposium / attendance	Chemdraw excel function	Asst. Lecturer Khaldoon Hiyal Ouda	Pharmacy College	24/7/2021	Teaching staff
44	Lecture	The problems of drilling exploratory and development oil wells and ways to overcome them	Asst. Dr. Abulhussein Nuama Al-Itabi	Oil Engineering College	27/7/2021	Employees at oil sector and specialized academics
45	Symposium /	The effect of heavy materials such as lead and	Asst. Lecturer Malak Haraze	Pharmacy College	31/7/2021	Teaching staff

	attendance	Cadmium on the infertility patients				
46	Lecture	Prepare the electronic exams file	Asst. Lecturer Mohammed Qasim Sultan	Dentistry College	3/8/2021	General
47	Symposium / attendance	The important transmissible diseases between domestic animals and humans	Asst. Lecturer Zainab Hasan	Pharmacy College	7/8/2021	Teaching staff
48	Lecture	Chemical safety at the training laboratories	Asst. Lecturer Fareed Rmadan	Dentistry College	10/8/2021	General
49	Training class	Pulmonary tuberculosis and its prevention	Asst. Lecturer Ahmed Rumthan	College of Health and Medical Technologies/ Anesthesia Dep.	14/8/2021	General
50	Symposium / electronically	Counterfeit medications	Asst. Lecturer Mais Mazin	Pharmacy College	17/8/2021	Teaching staff
51	Lecture	Improving the quality of the laboratories	Asst. Lecturer Muntather Fareed Ramadan	Dentistry College	21/8/2021	General
